ABOUT COMPANY

MECDOM LTD is a Company that in a short time has established itself, at a European level **starting from Italy**, as the result of a generational exchange, thanks to the **solid experience of the CEO Dr. Antonini Manuela**, through the project conceived **in collaboration with Mr. Riccardo Di Biase and the Internal and external work team**, and in a short time it is making itself **known and appreciated all over the world**.

Thanks to the transfer of Mecdom.com to the UK, it can boast a new transformation by integrating and expanding the services offered in the first stage in the Commodities sector, with commerce and trading.

COMPANY GROWTH

From Company to Group

MECDOM LTD is consolidating an international Group thanks to Partners who are recognizing and appreciating its **Values and Mission**.

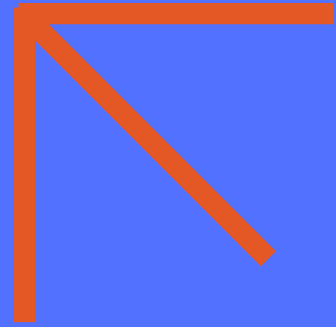

Our **VALUES** in the transition from Company to Group consolidates our **STRONG** points:

- **Guarantee of Trust;**
- **Quality of Service** in all phases of the Offer towards Companies and Partners.

Our goal is to sign collaborations with Partners of equal value in order to operate in synergy in all areas of the world, consolidating reciprocal company qualities.

Thanks to **Technology** and a **Solid Organization**, we allow our Partners and Professionals to shorten distances by eliminating linguistic difficulties. Thanks to the preparation of our internal and external team and our services, we abolish any bureaucratic and economic problem that may also arise as a result of the laws of the individual states where we operate.
